# Dornbracht Characters – A Matter of Charisma

Dornbracht fittings are not interchangeable and arbitrary, they are charismatic, distinctive, and expressive – leading the way in providing impetus and inspiration. They each embody an independent identity, so not only are the products superbly designed, they are also: characters.

A modern shower with a central water column and ambient lighting. The shower is set in a dark, minimalist environment. A central water column falls from a circular opening in the ceiling, illuminated from above. The water is clear and creates a dynamic splash at the bottom. The surrounding walls are dark with vertical slats, and a shower fixture is visible on the right. A small table with a bottle and candle is in the foreground.

# BISAZZA

A woman with long dark hair, wearing a white sleeveless top and a white tulle skirt, is floating in a pool of water. She is looking upwards with her arms slightly out. The water is clear and blue. The floor of the pool is covered in a complex, colorful mosaic pattern of blue, white, and yellow. The overall scene is surreal and dreamlike.

Bisazza is one of the top luxury brands in the design sector and the industry's leading producer of glass mosaics.
